VUE Software Recognized as One of the Fastest Growing Private Companies in America for the Second Consecutive Year

Leading sales performance management software vendor featured with a significant improvement in ranking since last year in the exclusive list of America's fastest-growing private companies—the Inc. 5000.

Coconut Creek, Florida, 8/31/2010 — Inc., the major business magazine edited exclusively for CEOs of fast-growing private companies, has recognized VUE Software as one of the fastest growing private companies in America for the second consecutive year. VUE Software has been included in the 2010 Inc. 5000 list showcasing a steady and continued business growth.

Inc. magazine ranked VUE Software No. 1791 on the 2010 Inc. 5000 annual ranking of the nation's fastest-growing private companies based on percent growth in revenue. VUE Software shares this recognition with companies such as Intuit, Zappos, Under Armour, Microsoft, Jamba Juice, Timberland and Oracle along with many other prestigious organizations. The improvement in ranking from the previous year's #2804 to this year's #1791 is reflective of VUE Software's sustained business growth. The company enjoyed 153% revenue growth over the past three years - a higher percentage growth than 3,209 of the companies on the list. Additionally, VUE Software was ranked #47 in the South Florida market and #122 in the software industry.

"Being selected in the Inc 5000 list for the second consecutive year emphasizes that we are on the right path and are meeting the goals of excellence we have set for ourselves," said Stephen Bruno, President and CEO of VUE Software. "This recognition in addition with the Microsoft 2010 Partner Awards we received encourage us to continue delivering cutting edge technology platforms that help our clients improve their processes, cut expenses and drive growth."

Last year, VUE Software acquired a significant number of new clients and sustained the loyalty of existing clients. VUE Software was also recognized for its leadership in the health plan market by being named Microsoft's "Health Plan Partner of the Year" and demonstrated momentum as one of the leading vendors of sales performance management solutions to the insurance industry by being nominated as a finalist in "Microsoft Dynamics Financial Services Partner of the Year" category.
