## VUE Software Honored as Microsoft Health Plan Partner of the Year

### Award Recognizes Outstanding Use of Microsoft Technology on Behalf of Health Plan Customers

**Coconut Creek, Florida, 7/20/2010** — VUE Software today announced its recognition as the 2010 Microsoft Health Plan Partner of the Year at the Microsoft Worldwide Partner Conference, held at the Walter E. Washington Convention Center July 11–15. The award honors VUE Software's innovative use of Microsoft technology and dedication in support of the health plan community. Winners were selected by Microsoft's U.S. Public Sector team working throughout the nation.

"We're extremely proud to receive this recognition from Microsoft," said Stephen Bruno, President and CEO of VUE Software. "This honor underscores our continued dedication in providing leading-edge technology tools to health plans across the nation. Today, we feel extremely fortunate to receive such an honor, but it's our mutual clients who are the true beneficiaries of our partnership with Microsoft."

Leveraging the Microsoft technology platform, VUE Compensation Management and VUE IncentivePoint deliver sales performance management capabilities to insurance organizations of all sizes.

"Our healthcare partners across the country continue to demonstrate that technology has the ability to transform healthcare in the United States," said Brian Scott, General Manager, U.S. Healthcare for Microsoft. "As healthcare innovations advance and evolve, we expect VUE Software to be at the center of those advances."

### About CSSI and VUE Software®

VUE Software® is the product division of Computer Solutions and Software International (CSSI) dedicated to providing industry-specific business technology solutions to companies in the insurance, healthcare, and construction verticals. Because they are tailored to the needs of these particular industries, our solutions are different from one-size-fits-all performance management and compensation suites such as enterprise incentive management (EIM) and sales performance management (SPM) solutions. VUE Software's solutions allow companies to manage strategic incentive plans, automate producer administration and organize complex data and contractor policies, resulting in greater administrative efficiency and improved sales performance. For more information about VUE Software, please call 1.877.4.VUESOFT or visit [www.vuesoftware.com](http://www.vuesoftware.com).

### About Microsoft Partner Program

The Microsoft Partner Program is designed for all partners who develop and market solutions based on Microsoft platforms, provide consulting or technical services on Microsoft systems, or recommend Microsoft technology purchases. Microsoft partners include consulting services providers, independent software vendors (ISVs), independent hardware vendors, large account resellers (LARs), original equipment manufacturers (OEMs), support providers, system integrators, system builders, training providers, value-added resellers and value-added providers.
