## VUE Software® Counted Among Top Finalists for the 2010 Microsoft Partner Awards

**Insurance software vendor is a finalist for Microsoft Dynamics Financial Services Partner of the Year chosen from among nearly 3,000 applicants.**

**Coconut Creek, Florida, 6/24/2010** — Today, VUE Software® announced it has been selected as a finalist for the Microsoft Partner Awards in the Microsoft Dynamics Financial Services Partner of the Year award category.

“We’re honored to receive such prestigious recognition from Microsoft,” said Stephen Bruno, President and CEO of VUE Software. “Being a finalist in the Microsoft Dynamics Financial Services Partner of the Year category is a testament to our commitment to leveraging Microsoft technologies to develop innovative solutions that deliver strategic value for our clients.”

VUE Software’s premier offerings VUE Compensation Management and VUE IncentivePoint work together with Microsoft Dynamics CRM to deliver Sales Performance Management capabilities to insurers.

Awards will be presented in a number of categories, with winners and finalists chosen from a pool of almost 3,000 entrants worldwide. The Microsoft Dynamics Financial Services Partner of the Year Award honors partners who have exhibited excellence in providing innovative and unique solutions based on Microsoft Dynamics to customers in the financial services industry. This award recognizes VUE Software for demonstrating industry knowledge and expertise, as well as consistent, high-quality, predictable service to Microsoft Dynamics customers.

“Congratulations to the 2010 Partner Award finalists for delivering such creative and superior Microsoft solutions and services,” said Allison Watson, Corporate Vice President, Worldwide Partner Group, Microsoft Corp. “It’s incredible to see the level of expertise our partners continue to exhibit as they create and deliver innovative solutions and services to grow their businesses, meet customer needs, and drive down costs.”

The Microsoft Partner Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions over the past year. The award winners and finalists will be honored during the upcoming conference at the Walter E. Washington Convention Center, Washington D.C., USA on July 11-15. For more information on the conference, please visit <http://digitalwpc.com/>.

### About CSSI and VUE Software®

VUE Software® is the product division of Computer Solutions and Software International (CSSI) dedicated to providing industry-specific business technology solutions to companies in the insurance, healthcare, and construction verticals. Because they are tailored to the needs of these particular industries, our solutions are different from one-size-fits-all performance management and compensation suites such as enterprise incentive management (EIM) and sales performance management (SPM) solutions. VUE Software’s solutions allow companies to manage strategic incentive plans, automate producer administration and organize complex data and contractor policies, resulting in greater administrative efficiency and improved sales performance. For more information about VUE Software, please call 1.877.4.VUESOFT or visit [www.vuesoftware.com](http://www.vuesoftware.com).

VUE Software is the product division of Computer Solutions and Software International. Computer Solutions and Software International is the official entity being recognized as a finalist for the Microsoft Partner Awards.
