

VUE Software Launches Distributor Accelerator Suite

Coconut Creek, Florida, 11/09/2015: [VUE Software](#) announced today that they have released version **8.15.10**, an enhanced solution specifically built for distributors of insurance products called the [Distributor Accelerator Suite](#). This six-module suite is loosely coupled, yet tightly integrated for ultimate flexibility. Distributors are able to implement the full Suite or Modules incrementally as required.

Distributor Accelerator Suite enables distributors to effectively manage the following, but not limited to:

- Relationships from recruiting through administering KPIs and acquiring results ([CRM](#))
- Multiple distribution of producers, brokers, and agencies from contracting to termination
- Book of business
- [Revenue Reconciliation](#), which allows distributors to track and reconcile revenue from carriers
- Producer compensation including commission payments, incentive payments and electronic statements
- Producers can access information 24/7/365 via desktop, tablet and/or mobile device

To learn more about Distributor Accelerator Suite, please visit the VUE Software Booth #705 at [NAILBA 34 conference](#) or online [VUE Software](#).
